

From Cabins to Castles... Realize Your Dream

THE SOUTH FORK

This popular “main level living” design is perfect for both a primary residence and a second home. The main floor includes an open kitchen, dining and great room as well as a master suite and large laundry / mud room. Two additional bedrooms and a full bath as well as large loft area are on the second floor. The vaulted ceilings, large expanses of glass and open flowing floor plan allows the home to take advantage of views as well as providing a bright, open living environment.
